## REPORT OF SUPERINTENDENT

Our supportive community takes pride in the progress our schools have made. Much of our success must be attributed to the community and the active role that they and our parents take in our schools. Ninety Six is a special place, and we are fortunate to have a close relationship between the schools and the community. We are proud of the accomplishments of our schools, students, and faculty in the Ninety Six School District.

The staff (faculty and staff) work diligently to provide meaningful educational experiences for our students. Our staff continues to provide a quality educational and extracurricular program for our students. Academically, our scores continue to improve in all of our schools. Three out of four of our schools made Adequate Yearly Progress (AYP) this year and two of our schools were named PALMETTO GOLD schools. One was named PALMETTO SILVER. Ninety Six High School was named a BRONZE winner in the US NEWS AND WORLD REPORT as one of the best high schools in the nation. Additionally, our primary school was authorized as an International Baccalaureate Program me World School!

Our district was recommended for District Accreditation by AdvancED after an 18 month strategic planning effort that included employees, community, parents, and students. Additionally, we have employed the use of balanced scorecards to keep a tab on performance measures that are a priority with the district plan.

Our new 29 million dollar combination middle/high school complex is nearly complete and we anticipate occupying the buildings in a few short weeks, ready to begin school. We appreciate the confidence the community showed us in approving this project.

Dr. Mark Petersen Superintendent
